Before you swing

1. **Check your aim**
   Everything starts about 5° left. That's ~16 yds offline at 180.

2. **Two rehearsal swings**
   Before every long shot. Your first ball with a club is the risky one.

3. **Don't chase the bomb**
   After a great drive, same swing again. Best ones come from normal tempo.

4. **Play to carry**
   Club off the carry number when there's trouble in front.

BAG TO-DO

☐ Show pro: ball position (driver/hybrid low-left, wedges right)

☐ 3W vs 5W: data leans 5W (tighter, straighter)

☐ Driver: tee it higher, ball off lead heel
